

Business Management and Transformation, part-time

How to create your own study plan and register for courses

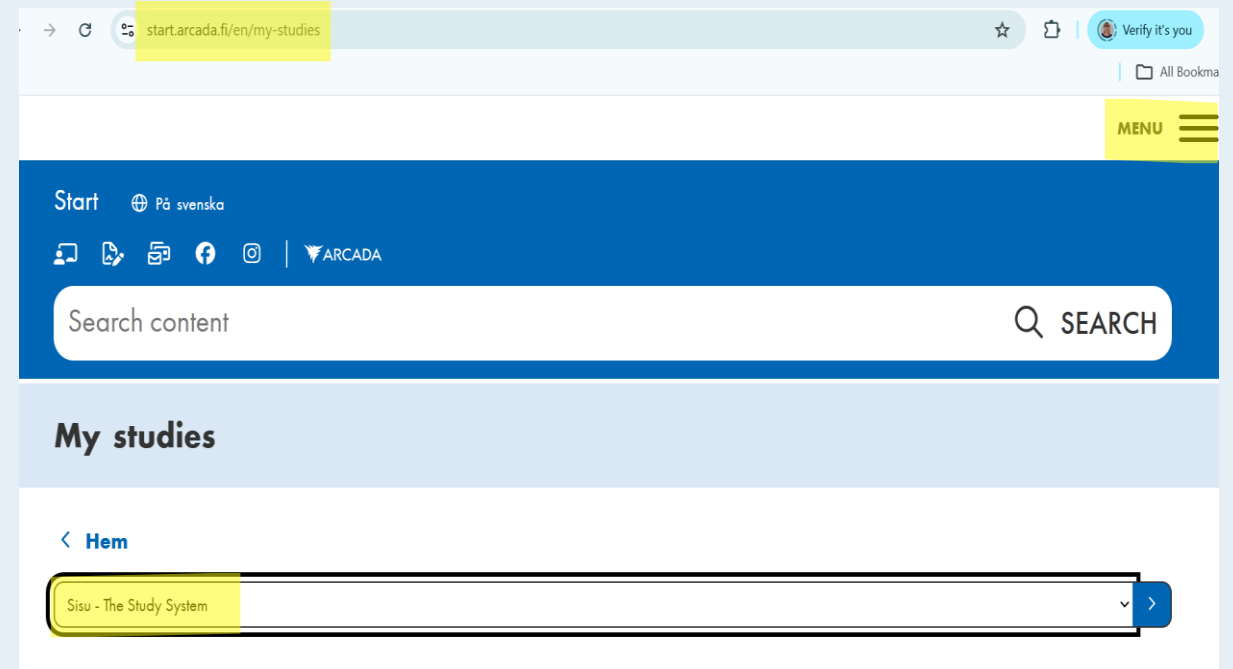

Get started with Sisu

- Check your personal information
- Create a study plan
- Add courses to your study plan
- Enrol to courses

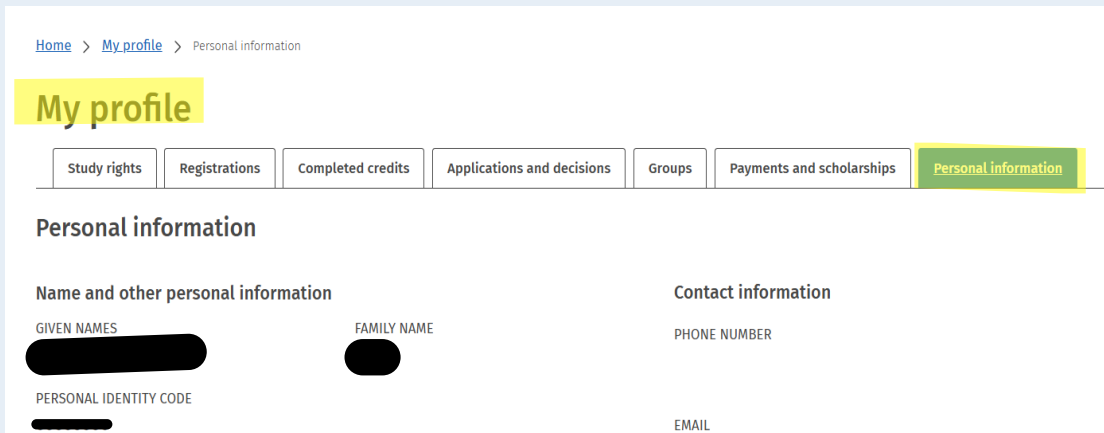

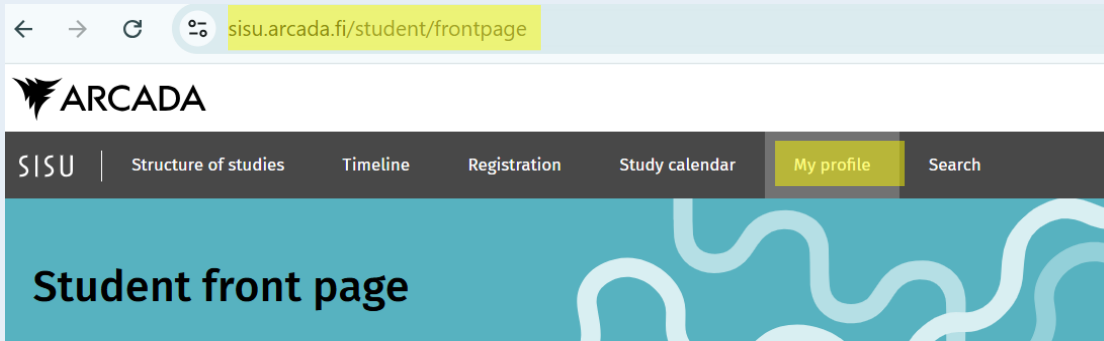

Information on start.arcada.fi

- All information you need for your studies can be found in Start, but the most central features are listed in this presentation.

For more instructions, go to:
Start -> My studies ->
[Sisu – the study system](#)

Check your personal information

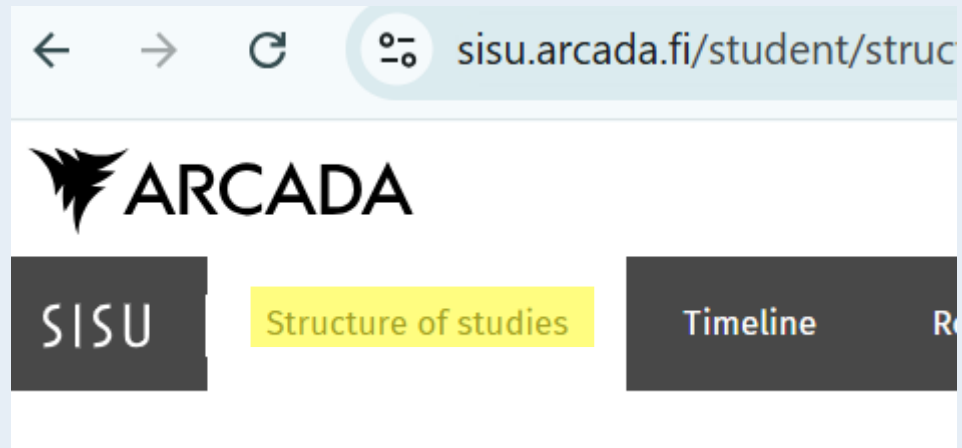

- Go to sisu.arcada.fi on the frontpage you can see different tabs, go to **My profile**

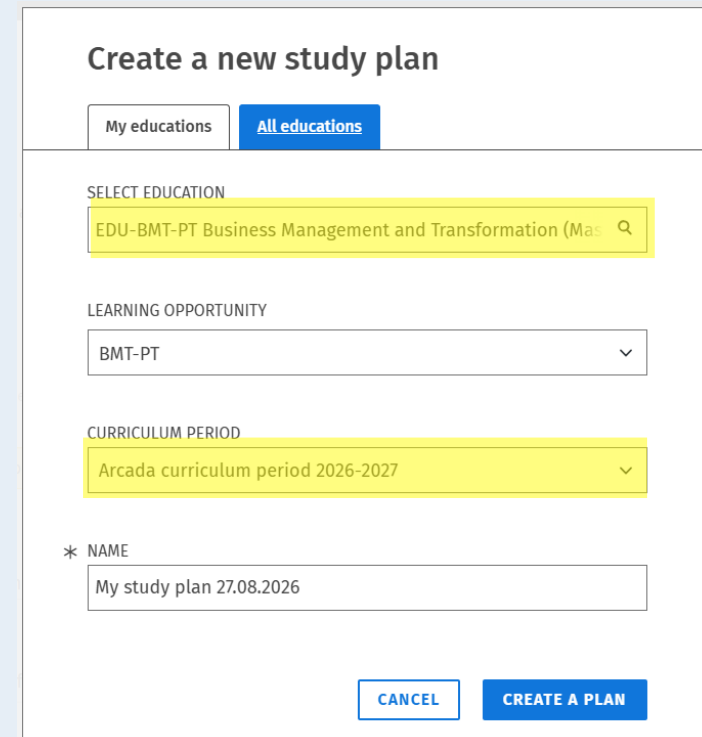

under My profile you have different tabs again, go to **Personal information** check that all is correct

Create a study plan – Full-time

- Go to sisu.arcada.fi
on the frontpage you can see different tabs, go to **Structure of studies**

- Let Sisu create a new study plan for you, you can keep the name Sisu suggests, or rename it, it is up to you

A screenshot of a web form titled 'Create a new study plan'. At the top, there are two tabs: 'My educations' and 'All educations' (which is active). Below the tabs, there are three dropdown menus: 'SELECT EDUCATION' with the selected option 'EDU-BMT-PT Business Management and Transformation (Mas', 'LEARNING OPPORTUNITY' with the selected option 'BMT-PT', and 'CURRICULUM PERIOD' with the selected option 'Arcada curriculum period 2026-2027'. Below these is a text input field labeled '* NAME' with the value 'My study plan 27.08.2026'. At the bottom right, there are two buttons: 'CANCEL' and 'CREATE A PLAN'.

Your study plan is now created

You have 3 courses in the **first module**

You have 2 courses in the **second module**

No selections are yet made for the **Optional studies module**

And you have 3 courses, the Master Thesis and Maturity examination in the **research module**

Courses for Business Management and Transformation autumn

- All courses for **Business Management and Transformation** are listed in [Start -> Programmes -> Business Management Transformation-> Current courses](#)

For the autumn semester enroll to these courses:

MB-2-016 Data-driven Financial Management (5 cr)

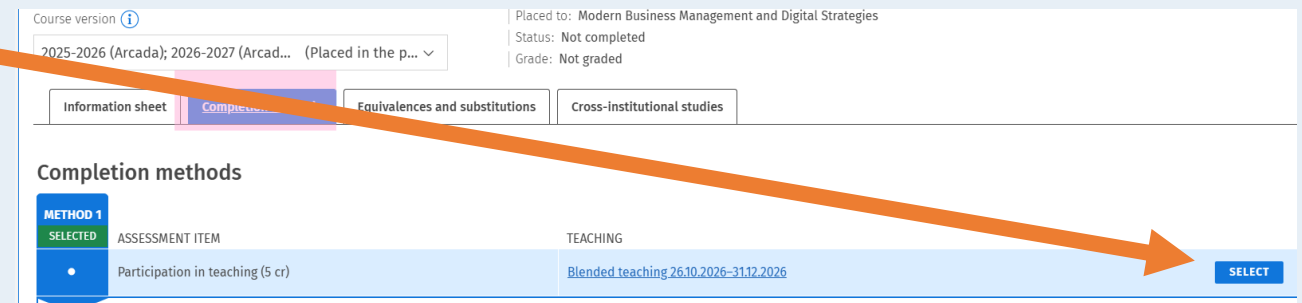

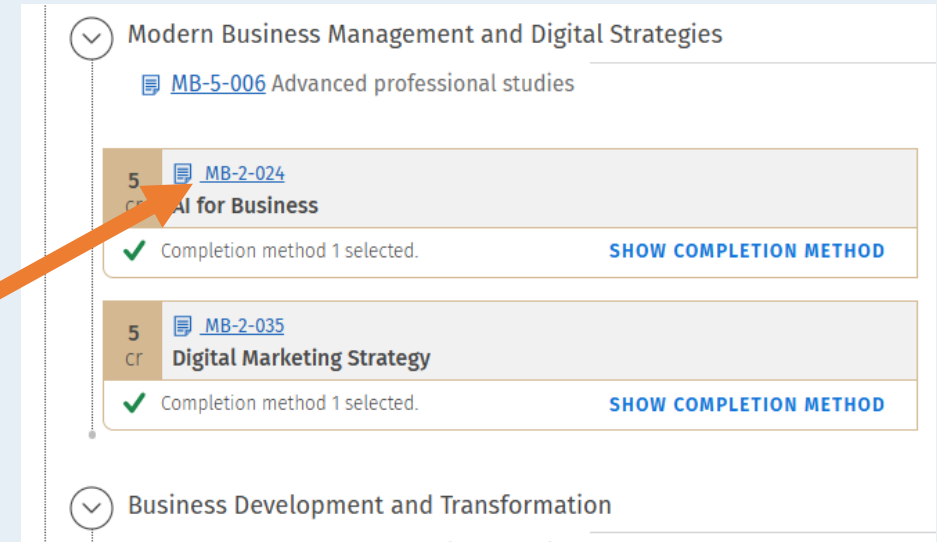

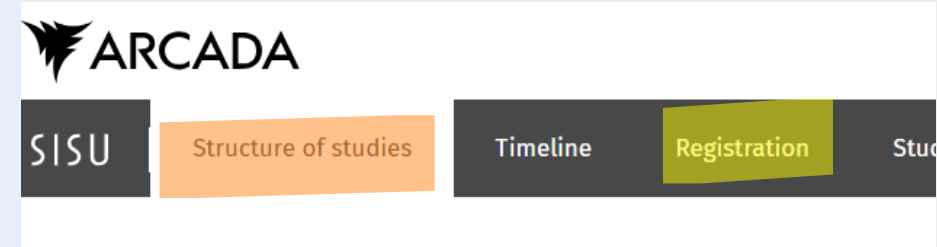

MB-2-025 Digital and Sustainable Business Development (5 cr)

MB-2-024 AI for Business (5 cr)

MB-2-035 Digital Marketing Strategy (5 cr)

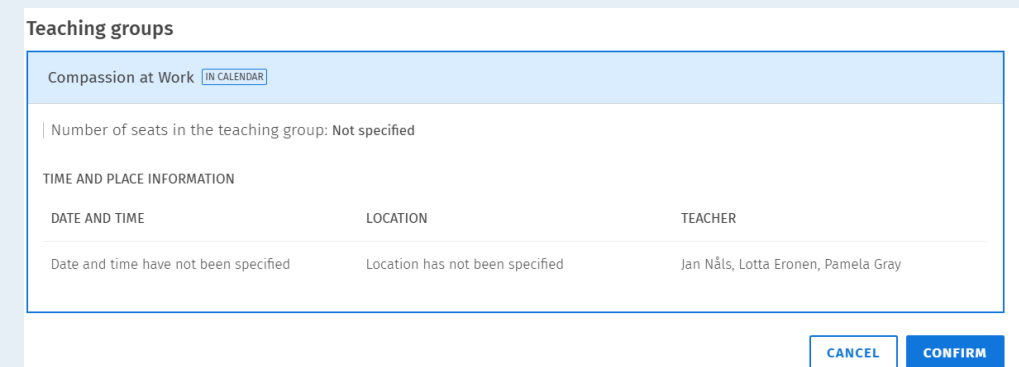

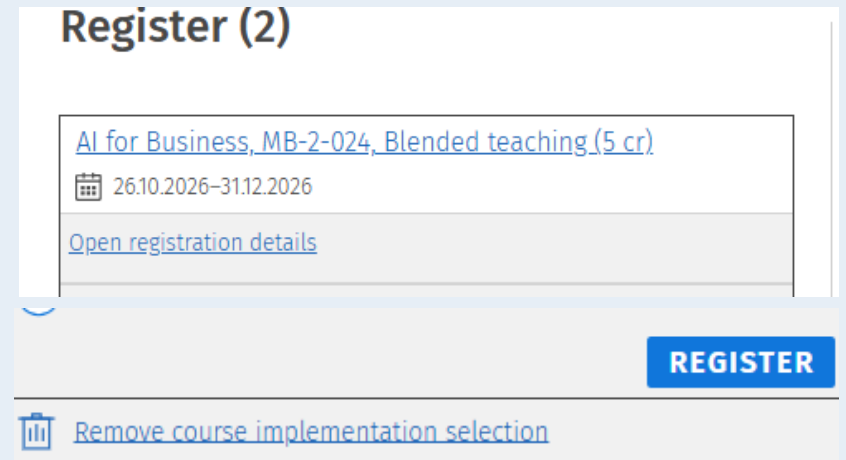

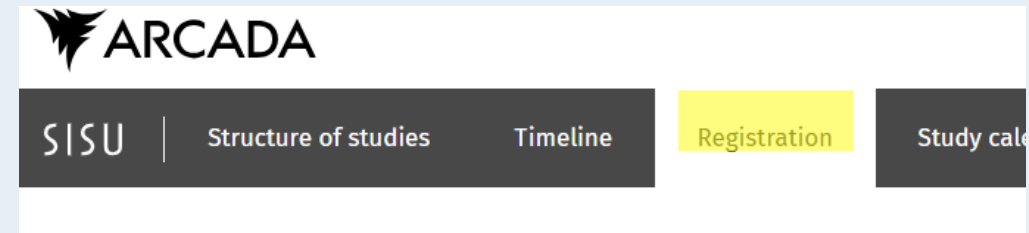

Enrol to courses (1/2)

- The fastest way is to enroll through your study plan. Go to the study plan you created, in tab **Structure of studies**
- Start by clicking on a course code shown in blue
- Go to tab **Completion methods** and click **SELECT**
- And after this you need to go to the tab **Registration** (see next slide)

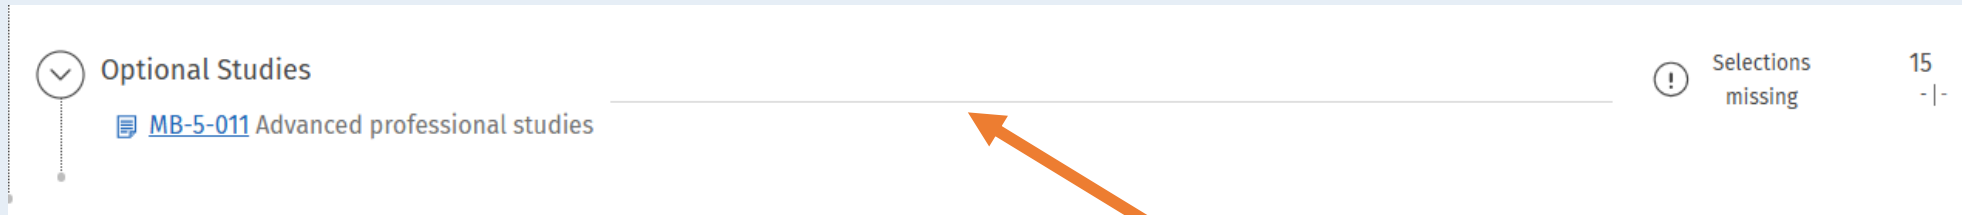

Enrol to courses (2/2)

- To enroll to the course, go to Registration
- Find all courses you have selected, and click the tab **REGISTER**
- As a last step, click on the tab **CONFIRM**
- Follow the same steps for the other courses

Add courses to your study plan (1/2)

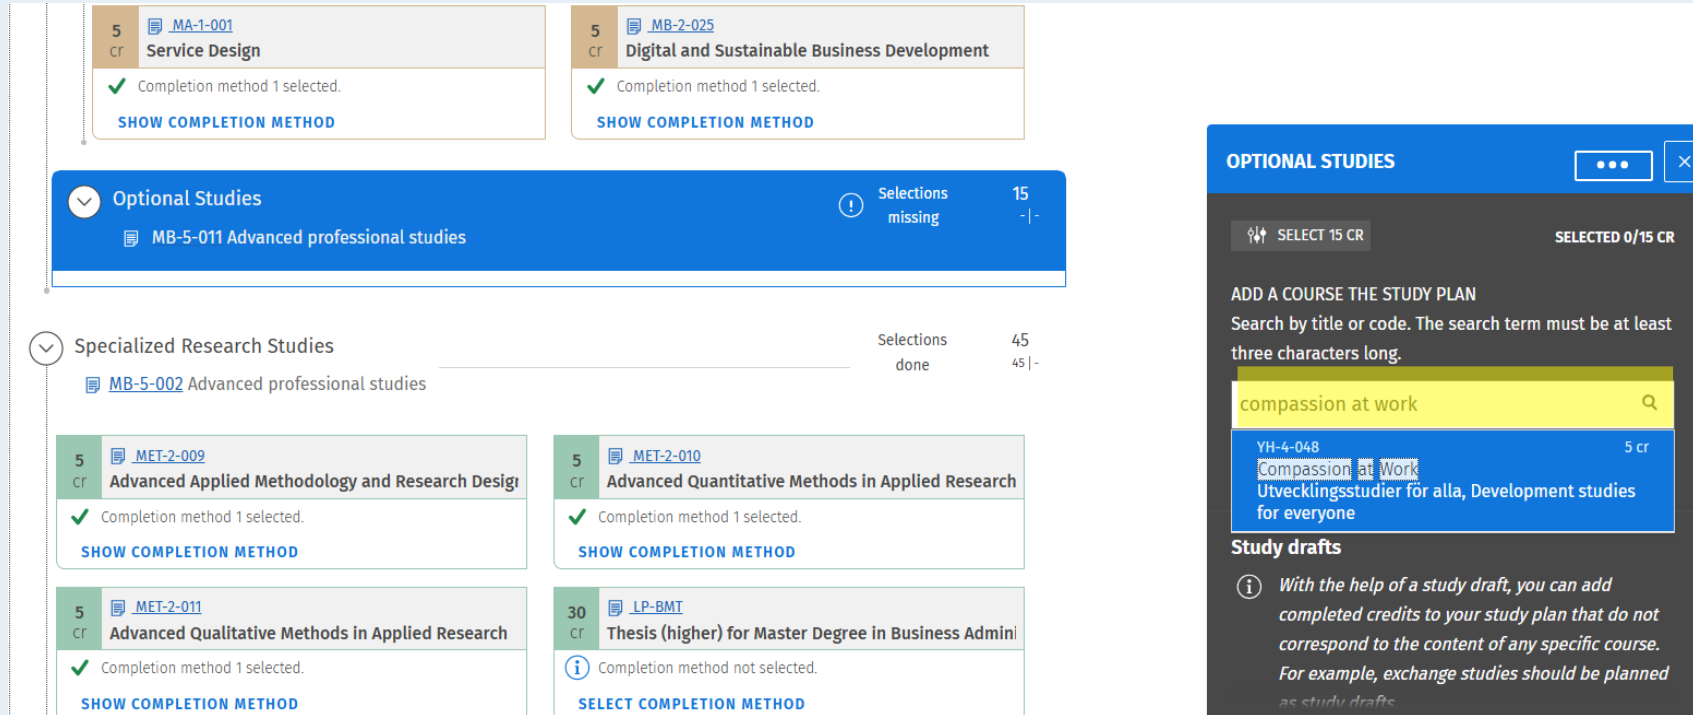

- All courses are already in your study plan, except for your **free optional studies**. At this point you don't need to add any courses in this module. You will get more information on optional studies at the introduction day. For you who study **part-time**, it is recommended that you take optional studies during the spring semester.

- You can add courses to the module by clicking on the **line** (click on the line not the text).

Add courses to your study plan (2/2)

A new window opens to the right, when you click on the line

The screenshot displays a web interface for selecting courses. On the left, there are several course cards, each with a credit value (5 cr), a course code, a title, and a status indicating if a completion method is selected. Below these cards are two expandable sections: 'Optional Studies' and 'Specialized Research Studies'. The 'Optional Studies' section shows a search bar with the text 'compassion at work' and a dropdown menu displaying the search results for 'YH-4-048 Compassion at Work'. The 'Specialized Research Studies' section shows a list of courses with their respective credit values and completion method status.

To find courses, use the **search function**. Type in name of course, course code, or key word to find options. Here, as one option, this course, *Compassion at work* has been used

More recommended courses are listed here:
[Free electives for master students](#)

Free elective (optional) courses

- The Optional studies allows you to select elective courses to broaden your competence in a field of interest. The chosen course should be relevant for your studies in healthcare and has to be on EQF7 level (master's level)
- You can choose relevant courses at Arcada or any other higher education institution. [See more information on Optional studies / Free electives on Start.](#)
