

Emergency Care Systems Development and Leadership

How to create your own study plan and register for courses

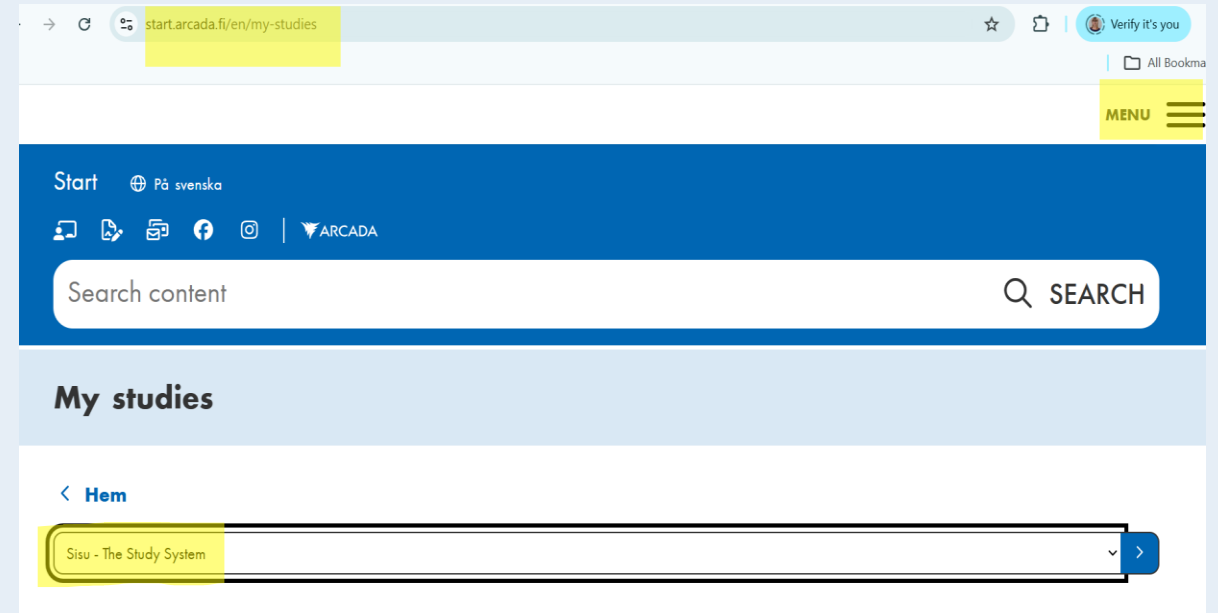

Get started with Sisu

- Check your personal information
- Create a study plan
- Enrol to courses
- Add courses to your study plan

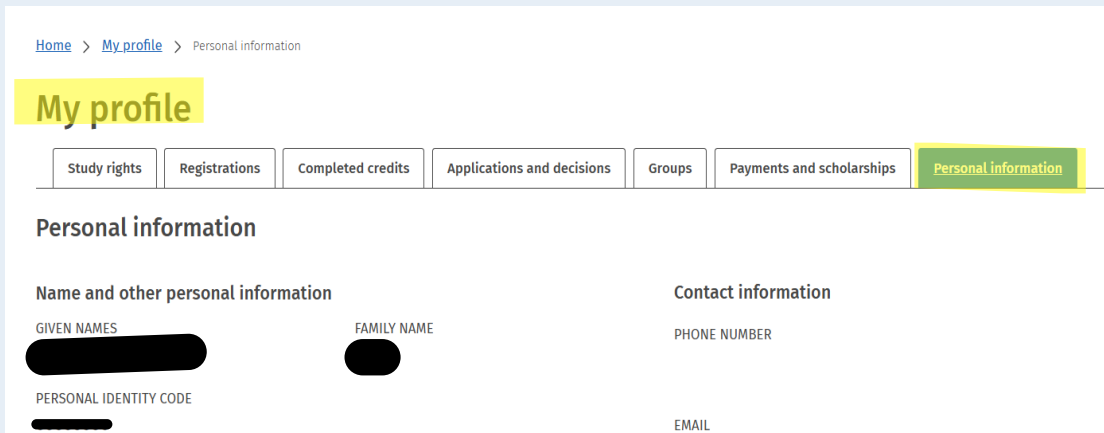

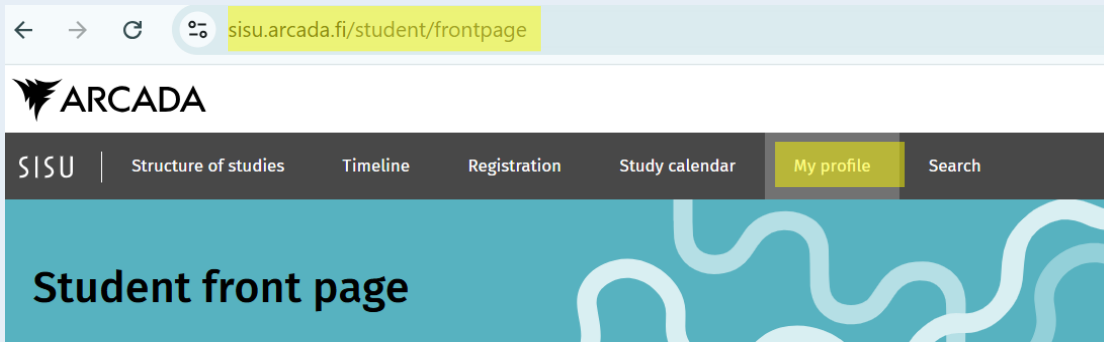

Information on start.arcada.fi

- All information you need for your studies can be found in Start, but the most central features are listed in this presentation.

For more instructions, go to:
Start -> My studies ->
[Sisu – the study system](#)

Check your personal information

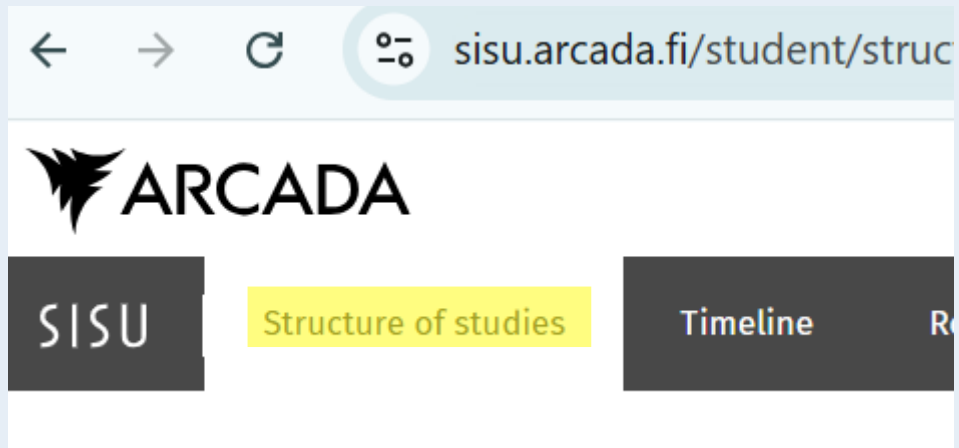

- Go to sisu.arcada.fi on the frontpage you can see different tabs, go to **My profile**

under My profile you have different tabs again, go to **Personal information** check that all is correct

Create a study plan

- Go to sisu.arcada.fi on the frontpage you can see different tabs, go to **Structure of studies**

- Let Sisu create a new study plan for you, you can keep the name Sisu suggests, or rename it, it is up to you

You have 3 courses in the **first module**

You have 3 courses in the **second module**

No selections are yet made for the **Optional studies** module

And 2 courses, the Master Thesis and Maturity examination in the **research module**

Courses for Emergency Care Systems Development and Leadership autumn

- All courses for **Emergency Care** are listed in [Start -> Programmes -> Emergency Care Systems -> Current courses](#)

For autumn semester enrol to these courses:

LEAD-2-001 Emergency Care as Dynamic System (5 cr)

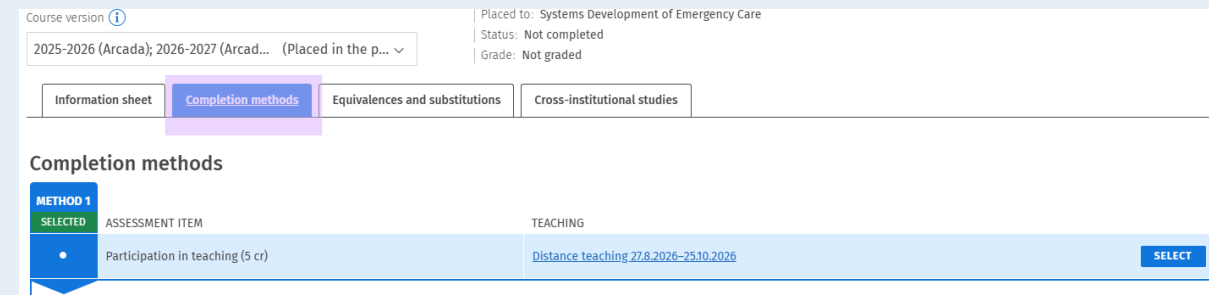

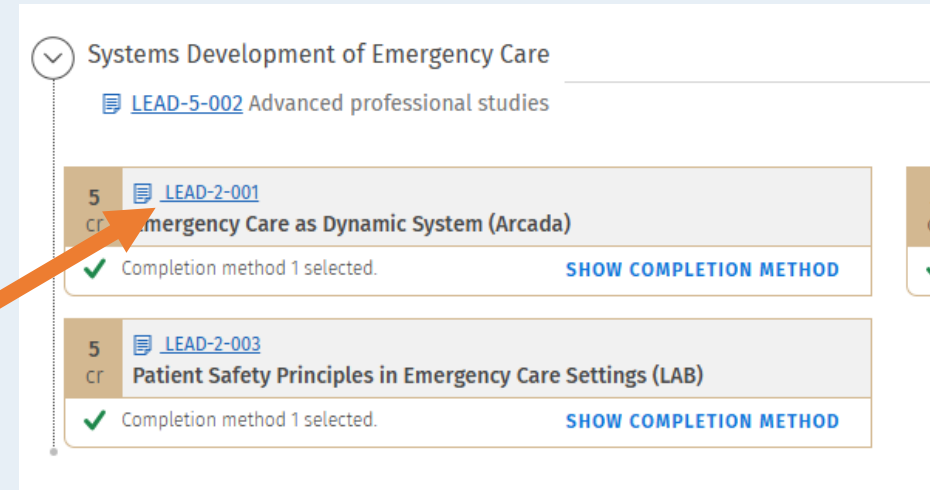

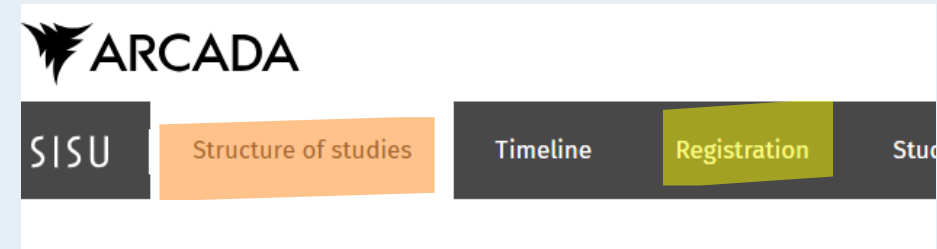

LEAD-2-004 Critical Appraisal of Emergency Care as Research (5 cr)

LEAD-2-006 Occupational Safety and Wellbeing in Emergency Care (5 cr)

LEAD-2-005 Human Factors in Emergency Care Settings (5 cr)

Enrol to courses (1/2)

- The fastest way is to enroll through your study plan. Go to the study plan you created, in tab **Structure of studies**
- Start by clicking on a course code shown in blue
- Go to tab **Completion methods** and click **SELECT**
- And after this you need to go to the tab **Registration** (see next slide)

Enrol to courses (2/2)

- To enrol to the course, go to Registration
- Find all courses you have selected, and click the tab **REGISTER**
- As a last step, click on the tab **CONFIRM**
- Follow the same steps for the other courses

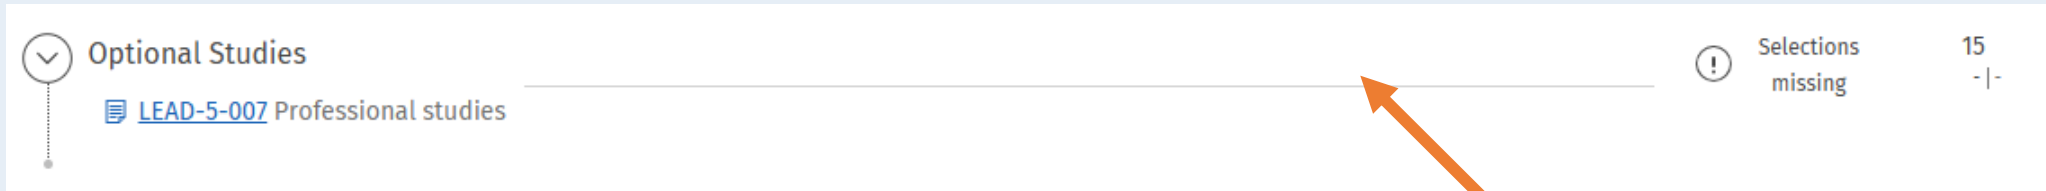

The screenshot shows the ARCADA web interface. At the top is the ARCADA logo. Below it is a navigation bar with links: SISU, Structure of studies, Timeline, Registration (highlighted in yellow), and Study calendar. The main content area is titled "Register (3)". It displays a course selection: "Emergency Care as Dynamic System (Arcada), LEAD-2-001, Distance teaching (5 cr)" with a date range of "27.8.2026-25.10.2026". Below this, a message states "Registration ends on 31.12.2028 at 00.00" with a "REGISTER" button. A link "Remove course implementation selection" is also visible. At the bottom, there is a table with columns: NAME, LOCATION, and TEACHER. The table contains one row with the text "e have not been specified" under NAME, "Location has not been specified" under LOCATION, and "Jan Nâls, Lotta Eronen, Pamela Gray" under TEACHER. At the very bottom are "CANCEL" and "CONFIRM" buttons.

NAME	LOCATION	TEACHER
e have not been specified	Location has not been specified	Jan Nâls, Lotta Eronen, Pamela Gray

Add courses to your study plan (1/2)

All courses are already in your study plan, except for your **free optional studies**.

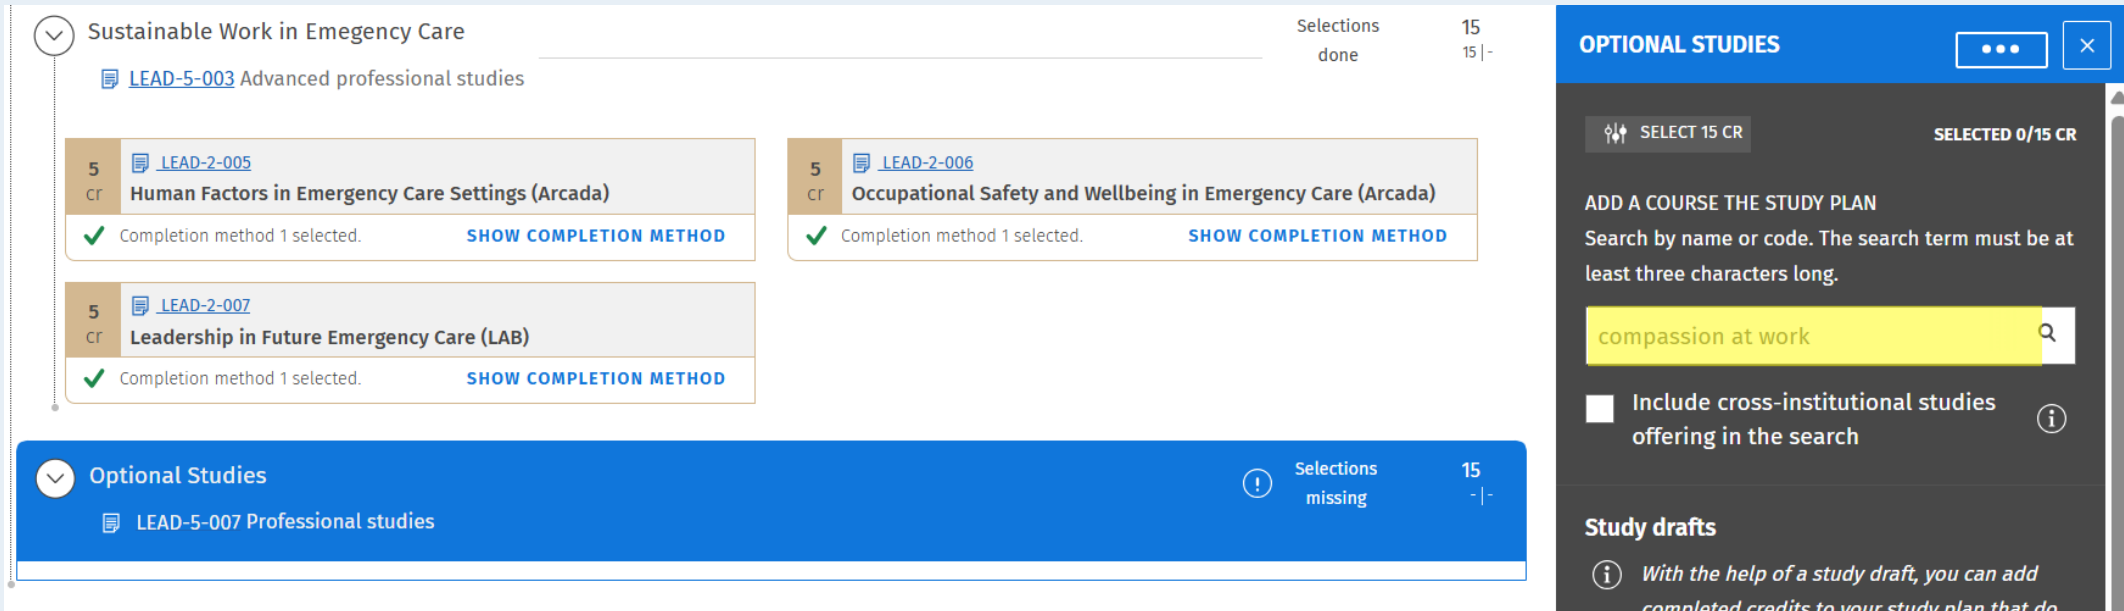

At this point you don't need to add any courses in this module. You will get more information on optional studies at the introduction day.

You can add courses to the module by clicking on the **line**.

Add courses to your study plan (2/2)

- A new window opens to the right, when you click on the line

The screenshot displays a study plan interface. The main section, titled 'Sustainable Work in Emergency Care', shows a list of courses under the heading 'LEAD-5-003 Advanced professional studies'. Three courses are listed, each with a '5 cr' credit value and a 'Completion method 1 selected' status, with a 'SHOW COMPLETION METHOD' link. The courses are: 'LEAD-2-005 Human Factors in Emergency Care Settings (Arcada)', 'LEAD-2-006 Occupational Safety and Wellbeing in Emergency Care (Arcada)', and 'LEAD-2-007 Leadership in Future Emergency Care (LAB)'. To the right, a sidebar titled 'OPTIONAL STUDIES' is open, showing a search bar with the text 'compassion at work' and a search icon. Below the search bar, there is a checkbox for 'Include cross-institutional studies offering in the search' and a section for 'Study drafts' with an information icon and text: 'With the help of a study draft, you can add completed credits to your study plan that do'. The sidebar also shows 'SELECT 15 CR' and 'SELECTED 0/15 CR'.

- To find courses, use the **search function**. Type in name of course, course code, or key word to find options. Here, as one option, this course, *Compassion at work* has been used

More recommended courses are listed here:
[Free electives for master students](#)

Free elective (optional) courses

- The Optional studies allows you to select elective courses to broaden your competence in a field of interest. The chosen course should be relevant for your studies in healthcare and has to be on EQF7 level (master's level).
- You can choose relevant courses at Arcada or any other higher education institution. [See more information on Optional studies / Free electives on Start.](#)
